DETAILED ACTION

1. Receipt is acknowledged of the amendment filed 5/19/04.

Drawings

2. New corrected drawings are required in this application because the filed drawings are appeared to be informal. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

REASONS FOR ALLOWANCE

3. After further search and thorough examination of the present application and in view of the Applicant's amendments, claims 133-137, 140-142, 149, 151, 152, 188-190, 193, 195, 196, 101-203, 206, and 211 are found to be in condition for allowance over the prior art made of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel St.Cyr whose telephone number is 571-272-2407. The examiner can normally be reached on Mon-Fri.
